

7 Questions

Estela Pinto Requejo

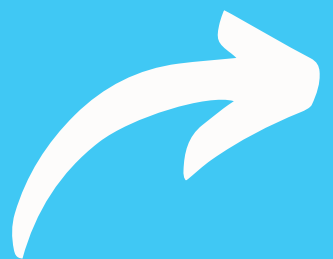

Senior Full-Stack Software Engineer

When and why did you join Company Watch?

Back in 2011 when I was experiencing living abroad in London. I found a great opportunity to join an amazing team to do what I love, software development!

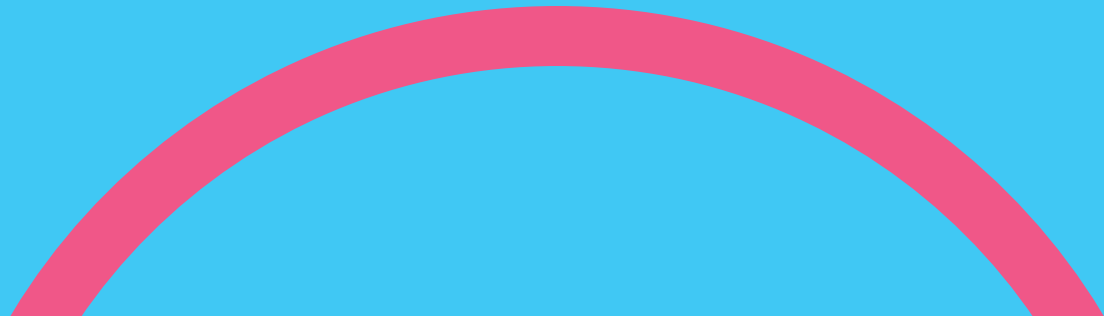

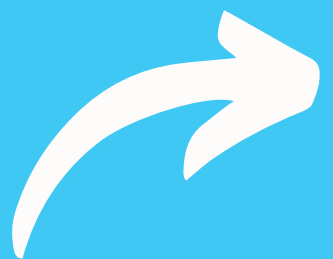

1

What are you most passionate about at work?

My team. It's full of caring and smart people.

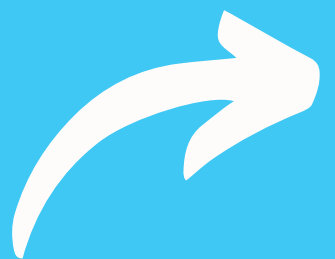

2

Proudest achievement in life?

There are a few. Being able to leave everything and go abroad when I was young. My personal and career growth, and of course, my two boys.

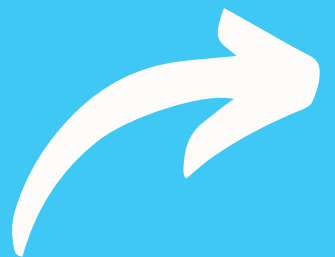

3

Dream place to live?

Any relaxing place near the beach with good weather, sunshine, and good wine!

4

What film have you watched the most?

Not a film I know... but a tv series, Friends!

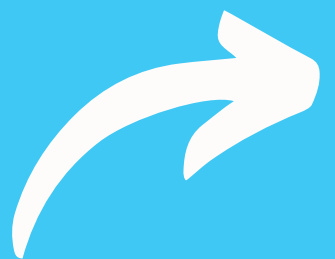

5

One food for the rest of your life, what would you choose?

Pasta! (Creamy or pesto is my favourite).

6

Words you live by?

'Don't try to be perfect, just try to be better. Be the best version of yourself.'
