

# 7 Questions

Marketing Manager

# When and why did you join Company Watch?

I joined in 2019. I wanted to work in marketing and move to London. The opportunity to help grow Company Watch was (and still is) very exciting.

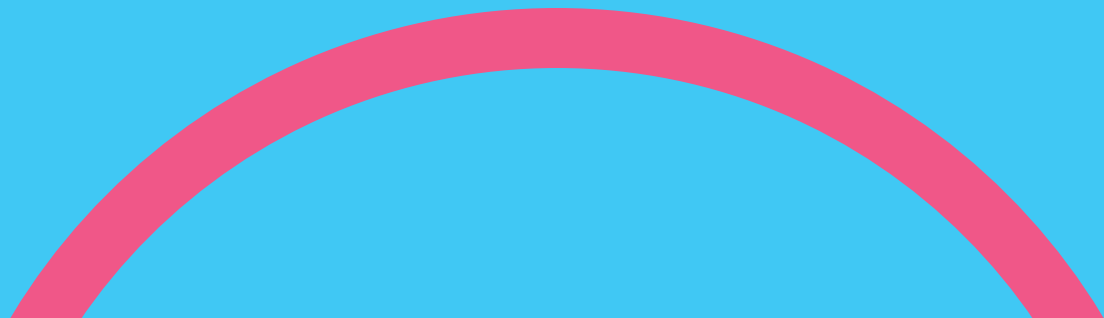

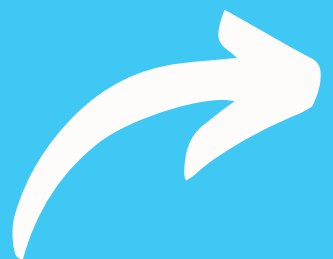

The future is bright!

# What are you most passionate about at work?

Using messaging to help people discover solutions to their problems.

# Proudest achievement in life?

Moving abroad on my own and pursuing my passion for golf.

Pretty proud of how far the marketing has come at Company Watch too.

3

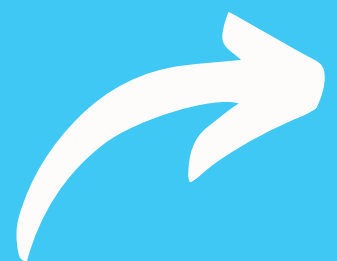

# Dream place to live?

I was lucky enough to live in South Florida for a couple of years and the lifestyle was incredible. So I'd go for that.

Unreal weather, beaches, golf courses and Miami on the doorstep! It's got it all really!

4

# What film have you watched the most?

Wedding Crashers, 100%. Always makes me laugh. Comedies are my go to if I have the remote!

I'm not really a massive film person though, I usually just watch YouTube or a series.

Billions, Game of Thrones and Peaky Blinders are some of my favourites.

5

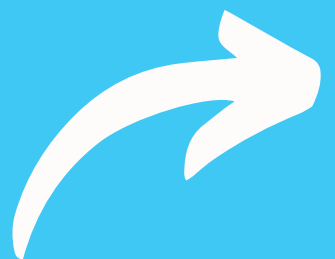

# One food for the rest of your life, what would you choose?

I do love a curry but probably have to go with pizza.

You can eat it hot or cold, plus there are loads of different toppings - keeps it interesting I guess haha.

6

# Words you live by?

‘Everything happens for a reason.’

Sometimes you think something has gone against you, but more often you realise it's a blessing.
