When and why did you join Company Watch?

In 2011. Company Watch gave me the opportunity to gain work experience as a volunteer (my first-ever job) and my role grew from there!

1

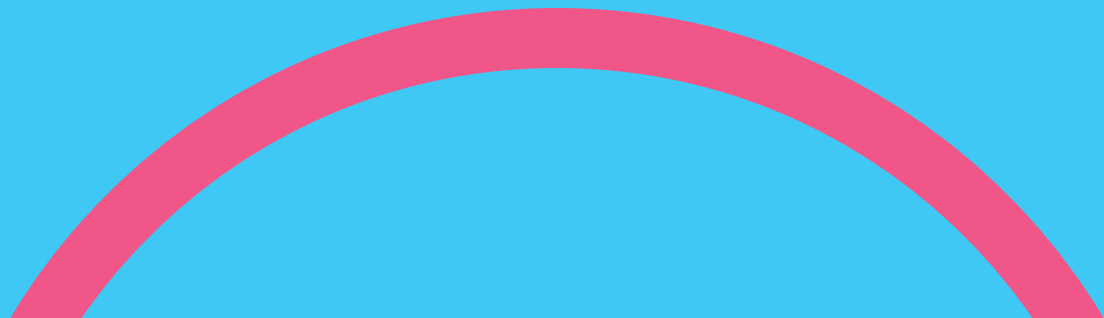

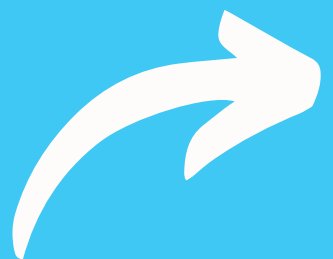

What are you most passionate about at work?

Friendly staff, creating a great culture.

This all leads to great customer service for our clients too.

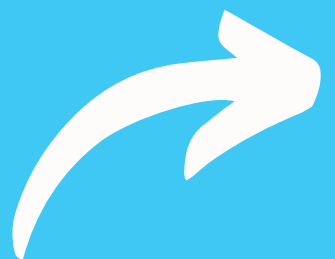

2

Proudest achievement in life?

Growing as a person and taking everything in my stride. I don't let the little things affect me anymore, and that's something I'm proud of.

3

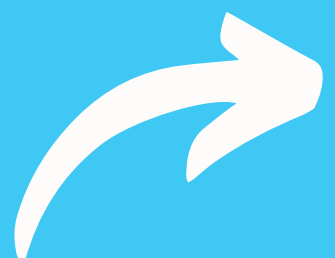

Dream place to live?

Hong Kong, because my family live there.

I quite like Japan too, but the work-life balance there is not so good I hear!

4

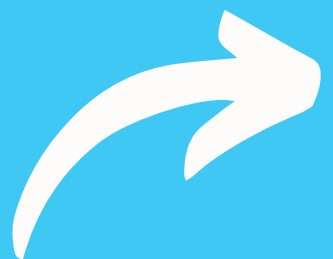

What film have you watched the most?

Harry Potter. The first one.

Nothing else has come close!

5

One food for the rest of your life, what would you choose?

Pork would have to be my pick, any style, I love it.

6

Or can I say meat in general..?

Words you live by?

'Do whatever you want to do'.

(Within reason of course!)

I think it's important to live life by your own terms and don't be afraid to take chances.
